

## Indonesia Broadway Virtual Workshop Series

StudentsLive is proud to have partnered with a top Educational Organization partner in Indonesia to produce a “Broadway Virtual Workshop Series” for students and aspiring artists across Indonesia. This “Series” has completed with the **Mean Girls Workshop** detailed below. Each workshop was led by our Artistic Director and “Broadway Guest Artists” and the students learned Music, Acting and Choreography to a Broadway Production Number. All students presented what they learned in an Individual Showcase for feedback and coaching from our Artistic Director Amy Weinstein and our Broadway Guest Artists. We were excited to work with Nicky Venditti (Wicked), Kelly Grant (The Phantom of the Opera) and Maria Briggs (Mean Girls) during this series.

Please see some of the testimonials and pictures here from our first “**International Virtual Wicked Workshop**” on Saturday September 19<sup>th</sup> led by Artistic Director Amy Weinstein, Broadway Musical Director Daniel Lincoln and Wicked Guest Artist Nicky Venditti.

Please also see below some of the testimonials and pictures from our second workshop in this series. “**International Virtual Phantom Workshop**” on Saturday October 3<sup>rd</sup> led by Artistic Director Amy Weinstein, Broadway Musical Director Daniel Lincoln and Phantom of the Opera Guest Artist Kelly Grant.

Finally, please see below some of the testimonials and pictures from our third workshop in this series. **“International Virtual Mean Girls Workshop”** on Saturday October 17<sup>th</sup> led by Artistic Director Amy Weinstein, Broadway Musical Director Daniel Lincoln and Mean Girls Guest Artist Maria Briggs.
